The Seashore Grill and Café Bar is located within the boundaries of the Spinney Caravan Park and can be accessed via Beach Road, Swanbridge, to the front or through Spinney Caravan Park itself. Established in 2003 by Gordon Hadfield the Bar and Grill is frequented by caravan owners of Spinney and Island View Caravan Parks as well as members of the general public and sells what would be expected from a bar and restaurant, i.e. drinks and food!

The family-run Seashore Grill (run by youngest daughter Kiki Hadfield) employs full-time and part-time staff from the local area and adjoining caravan parks. The impressive coastal location overlooking Sully Island makes the Bar and Grill an ideal location to idle away the time where on a warm evening the bar feels more Mediterranean than Bristol Channel!
